

FlexSave

New Features: Enhance Your Experience

Explore the enhanced features of your online FlexSave account and start making the most of your benefits.

Have more than one plan?

Select the plan from the new “Plan” drop down menu.

Can't remember if you've already claimed an expense?

See the status of up to the last 100 claims submitted.

Claiming for your loved ones made easy.

Select yourself, or one of your covered dependents from the new drop-down menu. Dependent not there? Submit their information online!

Still getting your reimbursements by cheque?

Submit your banking or verify which account is on file for your claims. View the last 4 digits of the bank account on your employee file.
